

Expression of Interest Advert for Road Signage, Markings, and Associated Road Services

EOI Reference Number: MTL_RSMA_2026

To identify suitable companies from the Emalahleni local municipality to provide Road Signage, Markings, and Associated Road Services at Exxaro Matla Coal.

Scope of Work

The appointed service provider will be responsible for the following (but not limited to):

- **Sign Installation:**
Pre-marking, preparation, and installation of road and general signage (hazard, speed limit, PPE, stop, and directional signs) per national standards and SARTSM, mounted on suitable posts with durable foundations.
- **Road Markings and Painting:**
Painting of curb stones, parking bays, loading zones, line markings, pedestrian crossings, road symbols, sign poles, barriers, and netball courts using approved Plascon road marking products per the Scope of Work.
- **Surface Cleaning and Preparation:**
Removal of dirt, debris, and loose concrete from all road and curb stone surfaces to ensure proper adhesion prior to any painting works.
- **Road Repairs:**
Visual assessment, repair planning, traffic management implementation, and execution of pothole patching and crack sealing to restore safe road conditions.

Special Requirements

- SANS 1200 MM – Road construction and maintenance standards
- SANS 731-1:2006 & SANS 731-2:2006 – Road and runway marking paints
- SANS 1519-1:2014 – Road sign materials
- SARTSM – South African Road Traffic Signs Manual
- Road Traffic Regulations (Act 93 of 1996) – Legal framework for traffic control and signage
- Mine Health and Safety Act (MHSA)

Action Required from Respondents

All interested parties are required to complete the online questionnaire using the following link: [ROAD SIGNAGE, MARKINGS, AND ASSOCIATED ROAD SERVICES EXPRESSION OF INTEREST \(EOI\) – Fill out form](#)
